

Pot Crops

MAXIMIZE HOLIDAY SALES

Grimes offers a wide variety of young plant starts that are well suited for potted plant sales. Standards like Kalanchoe, Carnations, Gerbera, Primula, New Guinea and Dahlia. The options are endless. Many garden varieties perform well and sell when displayed in creative eye-catching displays.

Flowering potted plants are the ultimate products to trigger the impulse purchase. A well grown plant presented in a eye catching way can be irresistible to the shopper looking for something special.

Sell flowering potted plants, displayed and packaged for every holiday.
